YOU CAN STILL LIVE AT FREDDY NEXT YEAR

It's not too late to still submit a contract and then select a space to live at Freddy next school year. Go to Access Plus to submit your contract and then select your space. Go to www.housing.iastate.edu for all the details and dates. You can also go to DOR Administrative Services Office in 2419 Friley Hall for assistance while you do your contract and space selection. Shop around; do proper comparisons and we know you truly will not find a better deal. We hope you will live at Freddy next year!

GREAT TURN OUT AT BINGO

Thank you to everyone who came to play Bingo on January 25. We had close to 175 people play and enjoy the free snacks. Special thanks to Jeff Johnson, Director of the ISU Alumni Association, for being our special guest caller and for adding to the Grand Prize at the end of the night. Jeff donated two tickets to a Men's or Women's basketball game plus dinner with him and his wife. Also, special thanks to the Hawthorn Market & Café for the free samples of pizza.

Watch for information on more events coming to the Community Center, presented by the Frederiksen Court Community Council:

RECREATION RENOVATION

A student referendum vote will take place February 25, 26 & 27, 2008 for the Extreme Makeover: Recreation Renovation project proposal. The project proposes renovations to the current buildings State Gym and Beyer Hall and a new construction addition on the west end of State Gym that would include a new weight and cardio room, leisure pool, and 40 foot climbing wall, to name a few. The project also would call for the Lied Recreation Center to

be entirely air conditioned in the summer of 2009. The anticipated completion date of the entire proposed project would be fall of 2011.

HELP US KEEP YOUR HALLWAYS NICE

- If you see a mess in the hallway (vomit, food spills, etc.) call the office or the CA on Call right away so we can get this cleaned up for you.
- Don't set trash in the hallway! Keep it inside your apartment and then take it directly to the dumpster nearest your building.

Thanks for your help with this!
