

Iowa Trumpeter Swan Banquet Saturday, March 31, 2007

Trumpeting the Cause

Hosted by the ISU Trumpeter Swan Restoration Committee

If you are enthusiastic about trumpeter swans, wetlands, and other bird life, consider attending the Trumpeter Swan Banquet. You will meet other trumpeter swan enthusiasts and learn more about trumpeter swan restoration and wetlands. Put your name in our raffle for a trumpeter swan print, bid on the silent auction, and win some great door prizes!

The proceeds will be used for the statewide restoration program and upcoming issues of the "Trumpeting the Cause" newsletter. Bring a friend — don't let them miss out!

Tickets are \$30 each or \$50 for a pair. Each ticket holder will be given a complimentary raffle ticket and promotional item. Additional raffle tickets can be purchased on the attached registration form. You need not be present to win.

The program will feature Sheila Lawrence, trumpeter swan partner from Minnesota. Sheila lives in Monticello, Minnesota, on the banks of the Mississippi River. She has documented years of waterfowl activity on the sandbar outside her home. In the past 10 years, it has become a gathering place for hundreds of Trumpeter Swans.

If you are going to attend, **please return your registration by March 2, 2007!**

The ISU Trumpeter Swan Restoration Committee, a small but dedicated group of students, has been collecting various items for door prizes. If you, or someone you know, owns a business and would like some free advertising, please make a donation to the door prize pool. The committee is also seeking items for the silent auction — if you have any suggestions, please contact us at the number below!

The public is invited and encouraged to attend! Tell your friends about this event!
