

March 22nd, 2016 Meeting Minutes

Start: 7:00 pm End: 9:00 pm

- **Guest Speaker: Precision Planting**
 - Precision Planting's number one goal is increasing yield and delivering agronomic benefit to the customer.
 - vDrive – eliminates complicated mechanical drivetrains and replaces them with 12v electric motors allowing for less maintenance and higher precision and control.
 - DeltaForce – Hydraulic down force control with max 650 lbs down force and 450 up lift. Automatically adjusts as fast as every ½ in. of forward travel.
 - Career and internship opportunities can be found on the Monsanto website.
- **Lawn Mower Service Days: April 1st and 2nd**
 - Members will receive \$5 off their apparel order for each day they work.
- **Junior Visit Day: April 6th**
 - We will have a booth set up to inform potential future students about what we do.
- **AEM Trip: July 17-20 in Orlando**
- **State FFA barbeque: April 18th from 6-8 PM at Hansen Ag Center**
- **Tour of Monsanto's Huxley Learning Center: April 20th**
