Congratulations to new executive members!

-Thank you to all members that participated in snow blower service days. We profited roughly \$2600 to pay for food, trips, and apparel. In all we did 105 snow blowers.

-Thank you for the members that went on the club trip, and attended flag football, both were a success.

-Club apparel is for sale on a first come first served basis. If you plan on attending the trip, it is highly recommended to wear club apparel during the visits.

-Be sure to "like" Agricultural Systems Technology Club on Facebook to stay in the loop with meetings, and club events.
