

AST Club Members:

Meeting highlights for November 11th,

New Business

-Thank you to all members that participated in snow blower service days. We profited roughly \$2600 to pay for food, trips, and apparel. In all we did 105 snow blowers.

-The fall trip is this Friday November 14th, traveling east to Illinois. We are putting together a club resume book to give the companies. Members that are going should e-mail a PDF copy of your resume to ethomas@iastate.edu by Thursday at 5p.m. Be looking for an e-mail from Rick later in the week for departure information.

-Club apparel is for sale on a first come first served basis. If you plan on attending the trip, it is highly recommended to wear club apparel during the visits.

-Be sure to attend the next meeting in December as we will elect the new executive members.

-Be sure to “like” Agricultural Systems Technology Club on Facebook to stay in the loop with meetings, and club events.
